

Accreditation

This activity has been planned and implemented in accordance with the Essentials Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Rochester School of Medicine and Dentistry and American Association for Emergency Psychiatry. The University of Rochester School of Medicine and Dentistry is accredited by the ACCME to provide continuing medical education for physicians.

Certification

The University of Rochester School of Medicine and Dentistry designates this educational activity for a maximum of 1 AMA PRA Category 1 Credit (s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Confidentiality & Privacy Policy

The Office of Continuing Professional Education is committed to protecting the privacy and confidentiality of those utilizing our web site and/or other CME activities. This policy outlines the use of computer resources, information practices and the protection and respect for our users to assure their privacy when participating in UR sponsored or jointly-sponsored CME activities. When registering for CME activities, we collect information including name, address, contact data (telephone number, e-mail address, fax), and the 2-digit month and day of the birthdate (eg. March 18 would be 0318) in order to maintain a record of participation as required by national accreditation standards. Additionally, we sometimes ask participants to complete a knowledge test to access understanding of the content as well as an evaluation to improve these activities and future ones. We have appropriate security measures in place to protect against the loss, misuse or alteration of information that we have collected. Any personal information provided will be maintained exclusively within the University of Rochester and not shared with non-University entities or organizations. As our capabilities evolve, we may collect additional information or may use information in new ways. If our information practices change, we will modify this policy statement and use only data collected for these new purposes from the time of the policy change forward. Please contact us if you have questions about this confidentiality and privacy policy.

Topics in Emergency Psychiatry Series

Web conferences for emergency psychiatrists and staff

CME in your topic area!
Excellent format for group participation and learning!

Educational Need

Psychiatrists working in emergency settings face pressure to quickly, efficiently and appropriately assess, treat, and triage patients. This series will provide the opportunity for distance learning on the most critical psychiatric emergency topics - chosen by AAEP members.

Target Audience

This educational content is intended for physicians and other professionals in psychiatric emergency services.

Learning Objectives

Through regular participation in this activity, participants should be able to assess and apply core research and up-to-date evidence-based medicine to both the clinical practice and administrative aspects of psychiatric emergency service.

Discount

When you register for the entire series, you receive 10% off the regular price. Members of AAEP receive a discount on this series.

Not a member? Join online at www.EmergencyPsychiatry.org.
